

REPORT IS MADE ON CADETS' TRIP

Captain Webb Tells Teachers
of High School All About
Journey.

PROF. EATON'S ADDRESS

AIMS AND METHODS OF THE COM-
ING SCHOOL YEAR.

Matters concerning the coming year at the high school were dealt with and instructions issued by Professor George A. Eaton, principal, at a meeting of fifty-five high school teachers in the assembly hall at the main building yesterday afternoon. Captain William C. Webb of the cadet battalion made a complete report of the trip to Seattle and also exhibited numerous photographs of maneuvers while at the exposition. His talk was in the form of an entertaining lecture. He told of the many cordial receptions given himself and the boys, and declared that the school should be more proud of its camps than of any other feature of the institution. He said he was happy to report that not a single incident tending to mar the perfect discipline came to his notice, and the cadets conducted themselves in a manner such as no other body of boys of their age ever equalled. The pictures exhibited by Captain Webb were of great interest. Some of them were secured with great difficulty, and are marvels of photographic art. These will be placed on the walls and in the cabinets of the school building as additional trophies to the long line of school triumphs.

Professor Eaton addressed his big staff of teachers on the aims and methods of the coming school year. He outlined in a general way the scope of duties of each teacher and told of several minor inaugurations in the internal workings of the school this year.

Nearly 1,000 pupils registered at the high school yesterday, and today it is expected the number will be increased by several hundred.

FAMOUS LECTURER TO ARRIVE IN CITY TODAY

Mrs. Annie Besant, whose lecture tour throughout the United States and England has been so successful, will arrive in this city today, and will lecture at Barratt hall this evening. Her subject, "Theosophy," furnishes a special and unique attraction, and she will doubtless be greeted by a large audience.

Run Down?

Ayer's Sarsaparilla is a tonic. It does not stimulate. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. When you take it you obtain the steady, even gain that comes from a strong tonic. A family medicine without alcohol.

Ask your doctor all about Ayer's Sarsaparilla. Ask him what he thinks of it now it is entirely free from alcohol. *S. C. Ayer & Co., Lowell, Mass.*

SALT LAKE MEN SEE OGDEN FAIR

Manufacturers Pleased With
Attention Their Exhibits
Are Receiving.

THOUSANDS ARE PRESENT

SEVERAL OGDEN MEN JOIN THE
STATE ASSOCIATION.

According to the stories of a number of Salt Lake manufacturers who journeyed to Ogden yesterday to attend the opening of the Intermountain Four-States fair, the exposition is a complete success in every way, and surpasses all previous efforts of the Ogden people along that line. The fair opened yesterday with very large crowd present, and the Salt Lake men, who have exhibits there, are greatly pleased with the results. They declare that no mistake was made in placing exhibits at the Ogden fair, that their exhibits are well displayed and that thousands of people visited the booths yesterday.

Among the Salt Lake manufacturers who have exhibits at the fair and who were present yesterday are B. F. Collett, secretary of the Manufacturers' association of Utah; George McAllister, president; Oliver R. Meredith, vice president; and F. J. Hewlett, Orson J. Hewlett, P. W. McDonald and many others. Mr. Collett said last night:

No Mistake Made.

"Ogden manufacturers have taken an interest in our state organization, and I have no doubt that at least six new members were yesterday added to the list. The part that Salt Lake manufacturers have taken in the fair has had much to do with dispelling the old prejudices that existed. And the Salt Lake men were amply repaid yesterday for any trouble they went to toward making the fair a success. They are reaping the rewards of advertising. Nothing could have helped them more than their displays at Ogden. Many of them have demonstrators attending their exhibits."

IRRIGATION COMMITTEE PLANS EXTENSIVE TOUR

Projects in Several States, Including
Salt Lake and Utah, Will Be
Inspected.

Cheyenne, Wyo., Sept. 6.—The Irrigation investigation committee of the United States senate, which today is holding a session here, has planned an extensive tour of irrigation projects over the western states, to begin Nov. 1. When the present session is disposed of the members will go to their homes, to remain until Oct. 31, when they will meet in Denver.

On Nov. 1 the Gunnison project at Montrose, Colo., will be inspected, and on the following day the committee will go to Grand Junction, Colo. Following this, the itinerary of the committee will be as follows:

Salt Lake and Utah projects, Nov. 3; Nevada, Nov. 4 and 5; California and Sacramento valley projects, Nov. 7 and 8; Klamath, Ore., Nov. 9; San Francisco, Nov. 10; Los Angeles, Nov. 11; Imperial valley, southern California, Nov. 12; Yuma, Nov. 13; Roosevelt dam project, southern Arizona, Nov. 15; El Paso, Nov. 16; Santa Fe, N. M., Nov. 17. The committee will return to Chicago on Nov. 20.

Annie Besant is to lecture in Barratt hall on Sept. 7, 1909, on the subject of "Theosophy, Its Meaning and Value." Mrs. Besant is known throughout the world for her oratorical ability, her wonderful ideas and her compassion for those who suffer.

Tickets, 25 cents, on sale at Norton's book store, 27 East Third South, and at Deseret News book store.

The L. D. S. High School

Opens Sept. 13, 1909. The following courses will be given: Normal, Scientific, Classical, Mechanic Arts, Domestic Science and Arts, Preparatory, and Missionary. The Missionary course begins immediately after the October conference. Full particulars can be had at the High school office. Phones: Bell 1303, Ind 2007.

Flooded With Light

One single Tungsten cluster of three lamps, aggregating from 100 to 240 candle-power, will flood a show window with dazzling radiance as intense as sunlight. There is no other form of illumination as economical for store lighting and none as attractive. Tungsten lamps cut the cost of electric lighting in two, or more than double your illumination for the same money.

Merchants should experiment with these new electric lights and carefully note the results. Wherever Tungsten lamps are tried they are never discontinued.

Phone Our Commercial Department for Further Particulars.

Utah Light & Railway Co.

"ELECTRICITY FOR EVERYTHING"

The Boston Dental Parlors

have moved to their new permanent location at 120 Main St., over the Christensen Shoe Co., 3 doors north of old location. We offer for 30 days special prices as follows:

Whalebone Set of Teeth \$7.00

Lightest and Strongest Plate Made.
